

## CYM Basketball Player Eligibility Guidelines

A player may be placed on a CYM team roster under one of two categories:

PARISH MEMBER or NON-PARISH MEMBER

There are no limits to the number of parish members on a team roster. However, a team roster may contain no more than 2 (two) non-parish members for a boys' team roster and 3 (three) non-parish members for a girls' team roster.

### PARISH MEMBER ROSTER STATUS

- 1) The parents / legal guardian must be registered members of the parish.  
(In the event that the parents are registered at more than one parish, the student is considered to be a parish member of the parish that he/she is enrolled in and participating in religious education classes.)
- 2) The student must be continuously enrolled in, attend and participate in their parishes religious education classes / activities OR be enrolled in and be attending a Catholic High School.  
(Note: In order for a student to be considered "continuously" en-rolled in their parish's religious education classes; the student must have been enrolled in, have attended and participated in their parish's religious classes for the PREVIOUS YEAR OR have been enrolled in and have attend a Catholic High School the previous year or Catholic Grade School in the case of a student currently enrolled as a freshman in high school.)
- 3) Seniors in high school who HAVE COMPLETED their confirmation requirements are exempt from fulfilling any further religious education requirements in order to have "Parish member" status for the CYM basketball roster.

### NON-PARISH MEMBER ROSTER STATUS

- 1) Seniors in high school who HAVE NOT been confirmed, and are not attending religious education classes will be considered as a NON-PARISH MEMBER for CYM Basketball Roster purposes.
- 2) Student's whose Parents/Legal Guardians have registered at a "new" parish without changing their residence will be considered as a NON-PARISH MEMBER for their "new" parish's CYM basketball roster for the current CYM basketball season.
- 3) Non-Catholic students may be placed on a CYM basketball roster but will always have a NON-PARISH member status on the roster.
- 4) A student who does not meet the above mentioned "parish member" qualifications can only be added to CYM basketball roster as a NON -PARISH MEMBER.

---

It will be assumed that any student that does not meet the above mentioned parish member qualifications will be considered as a non-parish member on the cym basketball roster.
